Description

Employment Status allows you to define the status of employment employees are hired for or if they are terminated.

To add an entry, go to Admin>> Job>> Employment Status and click “Add” and a screen would appear. Click “Save” once the field is added.

A list of Employment Status would appear once an Employment Status is added.

To edit an employment status, click on the “Employment Status” name.

To delete an Employment Status click on the check box next to the “Employment Status” name. It is also possible to delete multiple entries at the same time by clicking the check box entries you wish to delete and simply clicking “Delete”.
