

As an admin, I want to be able to search for any employee by each of these criteria: Username, User Role, Employee Name, Status

Status	In Progress	Project	Testaremanual25
Assignee	Unassigned	Reporter	testaremanual25
Created	Mar 12 2023, 12:58 AM	Updated	Jul 03 2023, 12:10 PM

Description

The documentation is missing, exploratory testing is required.
